

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, CHRIS ESHLEMAN has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Humboldt River through the by a dam & reservoir maintaining irrigation, power, stock (ice ponds) and domestic purposes, the point of diversion named in said application being as follows: A dam in the river channel located in the SE $\frac{1}{4}$ of NW $\frac{1}{4}$, Sec. 14, T. 34 N., R. 55 E., M. D. B. & M., situated in ELKO County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of 1907, has determined the amount of such appropriation as follows:

Name of appropriator Chris Eshleman.

Postoffice address Elko, Elko County, Nevada.

Amount of appropriation Ten (10) acre feet.

Date of appropriation August 14th., 1911.

Description of irrigated land Description of works :-

A dam, consisting of willows, straw, hay, rocks and gravel, about 65 feet long and from 4 to 12 feet high is placed in the river, forming a reservoir or pond which is allowed to freeze and furnishes ice during the winter months. This water is never diverted from the river and is only impounded in this manner during the non-irrigating seasons.

Description of use other than irrigation :-

Maintaining a reservoir in the river for cutting ice.

The right to water hereby determined is limited to the period between Nov. 1st and March 1st, of the following year, and the use is restricted to the place where acquired and to the purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for which appropriation is herein determined. Continued title to water depends upon beneficial use of water appropriated.

IN TESTIMONY WHEREOF, I W. M. KEARNEY, State Engineer of Nevada, have hereunto

set my hand and the seal of my office, this 16th. day of

January, A. D. 1914.

W. M. Kearney
State Engineer
